RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the November 4, 2004 Requirement To Restrict, Applicant hereby provisionally elects to prosecute the Group I claims, namely Claims 1 to 5 and 15 to 18. The Requirement To Restrict is, however, traversed.

Traversal is on the ground that there would not be undue burden in examining two groups of claims in a single application. In particular, MPEP § 808 makes clear that in order to require restriction between independent of distinct inventions, reasons for insisting upon a restriction requirement, such as undue burden, must also be shown. In the present instance, it is not believed that there would be undue burden in examining both groups of claims in a single application, since the two groups of claims are not so different as would require a burden on the Examiner that is significantly beyond that of the normal

burdens of examination. Accordingly, reconsideration and withdrawal of the Restriction Requirement are respectfully requested.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael K. O'Neill", is written over a horizontal line.
